University of Phoenix	BSN	2004	Nursing
University of Connecticut	MSN	2017	Nursing

A. Personal Statement

My goal as a nurse researcher is to move the needle concerning initial diagnosis for men with breast cancer. Currently, men are generally diagnosed at stages 3 and 4. My goal is to mimic the initial stage of breast cancer diagnosis of women for men through education for the general public and healthcare professionals.

B. Positions and Honors

Member of Sigma Theta Tau, University of Connecticut division
